

DFID Pakistan 2010 Floods Response: DFID Humanitarian Assistance (as of 13 July 2011)

DFID has committed £134 million of humanitarian assistance to Pakistan following the floods which began in late July 2010. This table details how the funds are being spent. The programme is due to conclude end February 2012.

	Agency	Sector	Duration	Open / Closed	Purpose	Amount £ million
1	OCHA Pakistan Emergency Response Fund (ERF)	Multi sector relief	August '10 – March '11	Closed	The ERF provides rapid support for NGOs in sudden onset emergencies. The funds will provide emergency relief for flood-affected people including food, shelter, water, sanitation, and healthcare.	5.0
2	UNICEF (United Nations Children's Fund)	WASH	August '10 – February '11	Closed	Supports UNICEF to provide drinking water, hygiene kits, toilets and hygiene awareness campaigns for approximately 970,000 people.	5.0
3	Consortium of British Humanitarian Agencies (CBHA)	Multi sector relief	August '10 – November '10	Closed	Supports CBHA to provide emergency relief - food, health services, clean water household items - to approximately 353,700 people in Punjab and Sindh Provinces.	1.0
4	InfoAsAid	Co-ordination	Not applicable	Closed	Provides seed money for up to 34 partner radio stations to broadcast six daily bulletins (three Pashto, three Urdu) on how affected people can avoid disease and stay safe. This funding is provided from a pre-existing DFID programme.	0.045
5	UNICEF (United Nations Children's Fund)	Nutrition	August '10 – November '10	Closed	Supports UNICEF to provide high energy food supplements to approximately 376,000 malnourished children and 123,000 pregnant women.	4.0
6	International Organisation for Migration (IOM)	Shelter	August '10 - May '11	Open	Supports IOM to provide approximately 9,900 shelter kits, 13,000 household item kits, 3,900 tents to benefit approximately 38,000 families. NFI kits, hygiene kits, ropes, pegs and poles will be provided to some 25,000 families.	5.8
7	Office for the Coordination of Humanitarian Affairs (OCHA)	Co-ordination	September '10 – March '11	Closed	Supports OCHA to strengthen central coordination, information management, financial tracking, advocacy and networking among humanitarian organisations working in Pakistan.	0.75
8	International Federation of Red Cross and	Shelter	August '10 – February '11	Closed	Supports the IFRC to provide food, emergency shelter and tools to approximately 385,000 people, through the mobilisation of 12 Emergency Response Units, building on the capacity of the Pakistan Red Crescent Society with its 130,000	4.0

	Red Crescent Societies (IFRC)				volunteer membership. Also supports IFRC to procure and deliver plastic sheeting and tarpaulins.	
9	International Committee of the Red Cross (ICRC)	WASH	August '10 – December '10	Closed	Supports the ICRC to provide clean drinking water, food, medical supplies and emergency shelter to approximately 350,000 people. The ICRC focuses on the flood affected areas of Khyber Pakhtunkhwa, FATA and Balochistan, which are also affected by conflict, where other agencies have difficulty operating.	1.0
10	World Health Organisation (WHO)	Health	August '10 – May '11	Closed	Supports WHO to prevent and control the outbreak of disease through scaling up the disease early warning system (DEWS), monitor water quality and promote hygiene and reproductive health services for approximately 490,000 pregnant women.	3.0
11	Save the Children (SCF)	Health	August '10 - January '11	Closed	Supports Save the Children (SCF) to provide primary health care services for approximately 109,000 pregnant women and children under five in Punjab and Sindh Provinces.	1.5
12	WFP/United Nations Humanitarian Air Service (UNHAS)	Logistics	August '10 – November '10	Closed	This funding supports WFP/UNHAS to reach isolated and stranded people through the transportation of emergency relief and personnel by air.	3.75
13	United Nations High Commissioner for Refugees (UNHCR)	Protection	September '10 - April '11	Closed	Enables UNHCR to coordinate protection activities at a national and regional level. Activities will address concerns around unaccompanied and missing children and orphans who are particularly vulnerable to abuse and exploitation. UNHCR also target other vulnerable people such as female-headed households, single and pregnant women by putting in place practices to prevent Sexual and Gender Based Violence and provide legal aid services.	0.5
14	Oxfam	WASH	September '10 – February '11	Closed	Supports Oxfam to provide safe drinking water, toilets, water purification sachets, hygiene awareness campaigns and emergency shelter items for approximately 315,000 people in Sindh Province.	2.7
15	Save the Children (SCF)	WASH / Shelter	September '10 - March '11	Closed	Supports SCF to provide safe drinking water, improved sanitation and hygiene awareness campaigns, emergency shelter materials and basic household items for approximately 150,000 people in Punjab and Sindh Provinces.	3.1
16	Concern	WASH / Shelter	September '10 – May '11	Closed	Supports Concern to provide toilets, sanitation services, emergency shelter items and basic household items. The project will help some 250,000 people to gain access to water and provide approximately 24,000 households with shelter kits in Sindh Province.	4.8
17	Goods and services in kind	In kind support	Not applicable	Closed	This funding provided more than 100,000 people with 4,500 tents and 14,600 shelter kits. These items were distributed by IOM and SCF. Non food items (NFIs) were brought in on ten flights (seven civil and three MoD). Two additional	5.75

					MoD flights were paid for by DFID to deliver vital items for humanitarian agencies.	
18	International Humanitarian Partnership (IHP)	In kind support	September '10 – January '11	Closed	Enabled the International Humanitarian Partnership (of which the UK is a member) to finance the establishment of a UN humanitarian base camp in Sukkur, Sindh Province, with a security as a major operational concern.	0.75
19	Rural Support Programme Network (RSPN)	WASH / Shelter	September '10 – May '11	Closed	Supports RSPN to meet the immediate WASH and emergency shelter needs of approximately 1,000,000 people in 20 flood affected districts of Punjab and Sindh Provinces.	3.0
20	International Medical Corps (IMC)	Health	September '10 – September '11	Open	Supports IMC to provide 40 mobile health teams and repair 30 basic health units, ensuring approximately 720,000 people have access to emergency health care in Punjab and Sindh Provinces.	3.05
21	World Food Programme (WFP)	Food	September '10 – February '11	Closed	As a UK contribution to WFP's appeal, based on providing food rations to approximately 10,500,000 people, the DFID contribution was used to finance critical gaps in funding for a range of items in the food distribution pipeline.	4.0
22	United Nations High Commissioner for Refugees (UNHCR)	Shelter	September '10 – February '11	Closed	Supports UNHCR to airlift vital non food items into Pakistan and provide approximately 466,000 people with mosquito nets and 77,450 people with plastic sheets.	1.0
23	Mercy Corps	WASH	October '10 – July '11	Open	Supports Mercy Corp to provide safe drinking water, sanitation services and hygiene awareness campaigns to approximately 160,000 people in Sindh Province.	1.7

Also supports the Pakistan Red Crescent Society to train communities in disaster management techniques.	2.5

*DFID has also brought forward a £10 million programme to provide bridges as part of the early recovery effort.

Notes

1. DFID has deployed humanitarian experts to support DFID Pakistan on a full time basis since July 2010.
2. All of DFID's humanitarian assistance is provided on the basis on the assessment of humanitarian need and through humanitarian agencies which are impartial and neutral.
3. "Assistance" activities include the provision of; food, shelter, water and sanitation, non food relief items (blankets, cooking sets, sleeping mats, jerry cans etc) and health services.
4. "Protection" activities comprise a wide range of activities aimed at ensuring respect for the rights of all individuals.
5. Running costs (£3.75 million) will be taken from the balance of the programme.
6. DFID has also funded surge staff to fill critical gaps in key UN Agencies such as OCHA, WFP, UNICEF and UNHCR through the international humanitarian stand by arrangements.
7. Shelter includes Non food items (NFIs).
